

Setting up Seesaw at Home on an iPad/Tablet

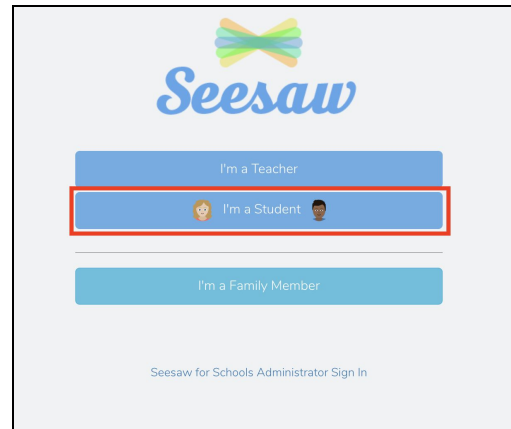

1. Visit the app store or Google play store to download the “**Seesaw Class app**”

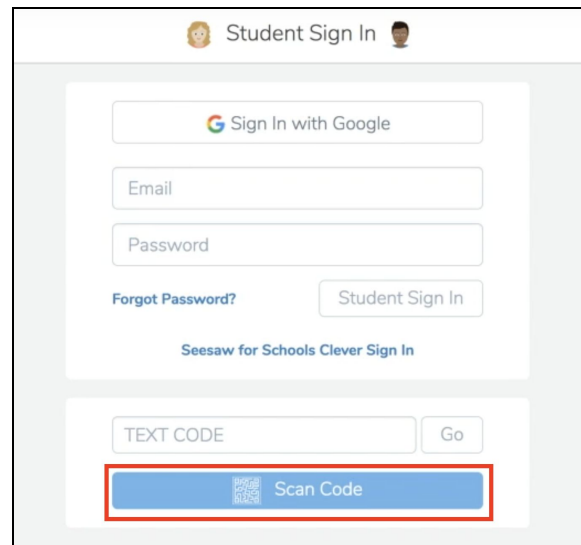

Click here to see if your device is supported:

<https://web.seesaw.me/platforms>

2. Open the Seesaw class app on your device.
3. Tap “I’m a student”.

4. Tap the blue “scan code” button
5. Hold up the class QR code (that your teacher has given you) in front of the camera.

6. Students should now go to the activities tab in Seesaw to complete the activities assigned by his/her teacher.
 - a. Follow this link to watch a video on how to access activities.

Seesaw at Home Using a web browser (Chrome, Internet Explorer, etc.)

All students go to <https://app.seesaw.me/>

If using an ipad you can use the Seesaw app.

Choose I'm a student.

Students in grade K-1 will use a qr code from their classroom teacher to scan into Seesaw.

Make sure to allow access to the camera.

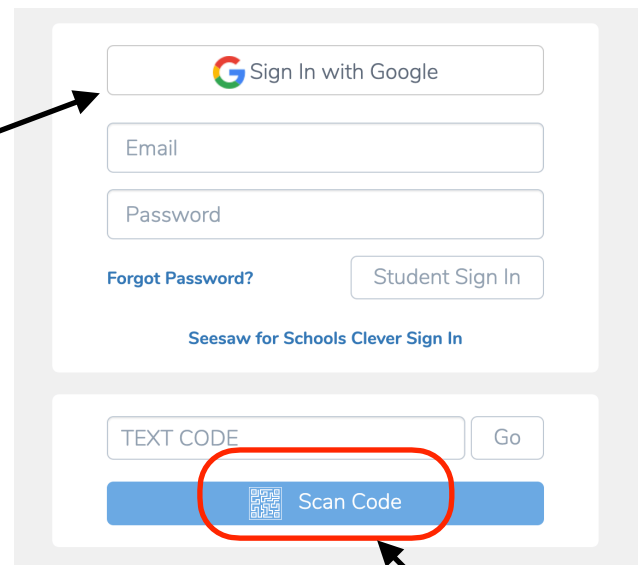

Students in grades 2-4 will login with Google.

Your child will enter their Highlands email address and then 5 digit password.

2nd grade example is
26edentm@district106.net, 46109
The first time you will have to press allow.

Then they can access Seesaw.

Grades K-1

If you have multiple children logging in to same device then they may need to logout before the next student can login.
