We are an organization dedicated to charitable services, friendship and social activities in the community. Our charity of the year for 2020/21 is the **Constance Morris House**, where domestic violence survivors are provided with emergency shelter, crisis intervention, medical and legal advocacy, counseling, and more. <https://pillarscommunityhealth.org/services/domestic-and-sexual-violence-services/domestic-violence-constance-morris-house/>

We also grant funds to Highlands School District 106, fund 2 scholarships annually to LTHS seniors who graduated from Highlands Middle School, and provide donations to local non-profit organizations through our Benevolence Fund.
