

Habitat: rainforest

Plant Name: treedom

Create your improved design and test it

Put a picture or video [here](#) of your improved design.

Test it Old speed from paper

Test Speed (measure how fast went)

Test 1

5 seconds

bouncy ball

The bouncy ball was too heavy.

Test 2

3 seconds

ice cream cone

Went faster than ball because it's lighter.

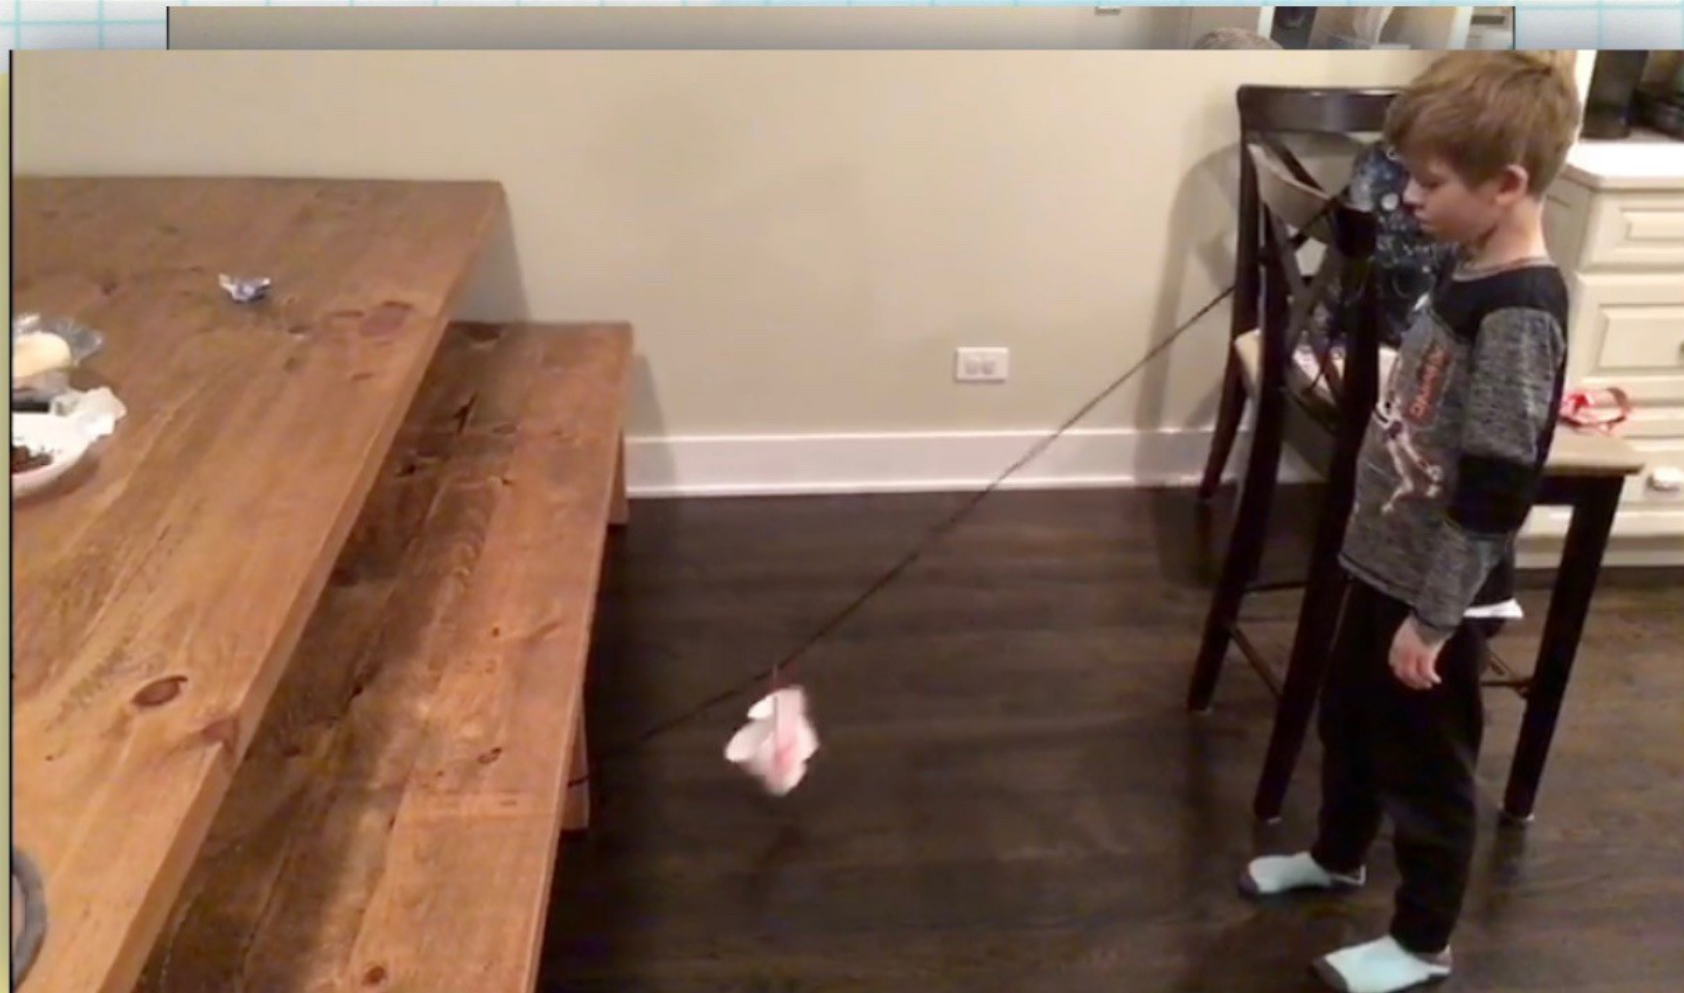

Test 3

1 second

nerf dart

The dart was lighter than bouncy ball.

Test 2

2 seconds

2 grapes in each cup

**went a little faster and smoother
and landed flat**

Test 3

1.5 seconds

4 grapes in each cup

**it went even faster and
smoother**
