

Free Health Clinic

Families and children are welcome!

The Free Health Clinic is our way of fulfilling our mission by extending the healing ministry of Christ – directly to those who need medical care but cannot afford it. Join us to receive free medical services, including:

- Dental exams and cleanings
- Audio (hearing) screening
- Foot exams
- Flu shots
- Eye and vision exams
- Orthopedic joint pain exams and injections
- A1C and cholesterol screenings
- Children (Pediatric): school/sports physicals (immunizations not included)
- Physical therapy
- Blood pressure and diabetes screenings
- Laboratory screenings: glucose, urine and pregnancy testing
- Free basic medications based on examination

We also will provide access to other care services such as:

- Community resources: partners in Cook, DuPage and Will counties and surrounding areas will provide assistance with medical home, specialty referrals and access to affordable medications
- Chaplain services: spiritual and whole person care
- Free paper products
- Social service evaluation and referrals

Free parking.
Walk-ins welcome.

Use the QR code to sign up in advance for the event.

Saturday, September 30, 9 am – 1 pm
