What will Fall 2021 look like?

- 5 full-day in person instruction
- Specials & elective classes
- Sports, clubs, and extra-curriculars
- Mitigation strategies as needed to prevent spread and minimize quarantine

We are actively working to:

- Determine if the current year resulted in any student learning gaps and how to best address those learning needs.
- Design a plan to best support students' SEL needs and maximize the sense of community within our schools.
- Plan instruction for remote and quarantined students that is equitable and high-quality.

What might impact our plans?

- Updated mitigation guidelines
- Revised quarantine requirements
- Vaccine for children
- Virus variants
- ??????????????????????

Next Steps

- Collaborate with D106 staff as we develop the learning plan.
- Determine students who may need remote instruction based on medical needs.
- Clearly communicate our plan for the 2021-22 school year with, the Board, staff and parents.

We will be ready to welcome students on August 24, 2021.
